(2) contracts for or related to the construction of a public building, road, or other public work.

(b) This subchapter applies to the contract without regard to:

(1) whether the contract is otherwise subject to this subtitle; or

(2) the source of funds for the contract, except that to the extent federal funds are used to pay for the contract, this subchapter does not apply if federal law prohibits the application of this subchapter in relation to the expenditure of federal funds.
Added by Acts 1999, 76th Leg., ch. 1499, Sec. 2.10, eff. Sept. 1, 1999.

Sec. 2161.252. AGENCY DETERMINATION REGARDING SUBCONTRACTING OPPORTUNITIES; BUSINESS SUBCONTRACTING PLAN. (a) Each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest for the contract, determine whether there will be subcontracting opportunities under the contract. subcontracting plan, the contractor shall report to the state agency all the circumstances that explain that fact and describe the good faith efforts made to find and subcontract with another historically underutilized business.

(d) If a determination is made that the contractor failed to implement the plan in good faith, the agency, in addition to any other remedies, may bar the contractor from further contracting opportunities with the agency.
